Re: Applicant Name: PORT OF LOS ANGELES HIGH SCHOOL
Billed Entity Number: 16071869
Form 471 Application Number: 924691
Funding Request Number(s): 2523855, 2523884, 2523916
Your Correspondence Dated: November 15, 2013

After thorough review and investigation of all relevant facts, the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) has made its decision in regard to your appeal of USAC's Funding Year 2013 Funding Commitment Decision Letter for the Application Number indicated above. This letter explains the basis of USAC's decision. The date of this letter begins the 60 day time period for appealing this decision to the Federal Communications Commission (FCC). If your Letter of Appeal included more than one Application Number, please note that you will receive a separate letter for each application.

Funding Request Number(s): 2523855, 2523884, 2523916
Decision on Appeal: **Denied**
Explanation:

- During the appeal review of your FCC Form 471 924691 you stated that you had wanted to make changes to the Form 471 submission for both the Discount Allowance and FRNs 2523855, 2523884, and 2523916. Program procedures allow applicants to amend their applications and correct ministerial and clerical errors on their FCC Forms until an Funding Commitment Decision Letter (FCDL) is issued. In your appeal, you did not demonstrate that USAC's determination was incorrect. Consequently, your appeal is denied.
- Your appeal requests additional funds that were not included in the FCC Form 471 that you are appealing. FCC rules require that funding requests must be submitted via an FCC Form 471. See 47 C.F.R. sec. 54.504(a). Considerations

for funding requests depend on the date the FCC Form 471 is received and the amount of funds available if it is received after the close of the filing window. *See* 47 C.F.R. sec. 54.507(g)(1)(i)-(v). The FCC directed USAC to allow applicants to amend their forms to correct clerical and ministerial errors on their FCC Forms 470, FCC Form 471 applications, or associated documentation until an FCDL is issued. Such errors include only the kinds of errors that a typist might make when entering data from one list to another, such as mistyping a number, using the wrong name or phone number, failing to enter an item from the source list onto the application, or making an arithmetic error. *See* Schools and Libraries Universal Service Support Mechanism, CC Docket No. 02-6, Order, FCC 11-60 para. 5 (rel. April 14, 2011). Additional correctable errors can be found in the FCC Order DA 10-2354. *See* Requests for Waiver and Review of Decisions of the Universal Service Administrator by Ann Arbor Public Schools, Ann Arbor, Michigan, et al., Schools and Libraries Universal Service Support Mechanism, File Nos. SLD-542873, et al., CC Docket No. 02-6, Order, DA 10-2354 para. 2 (rel. December 16, 2010).

Since your appeal was denied in full, dismissed or cancelled, you may file an appeal with the FCC. Your appeal must be postmarked within 60 days of the date on this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. You should refer to CC Docket No. 02-6 on the first page of your appeal to the FCC. If you are submitting your appeal via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554. Further information and options for filing an appeal directly with the FCC can be found under the Reference Area/"Appeals" of the SLD section of the USAC website or by contacting the Client Service Bureau. We strongly recommend that you use the electronic filing options.

We thank you for your continued support, patience and cooperation during the appeal process.
